## BOW VALLEY NINTH MEETING

Minutes of meeting of the Council of the Municipal District of Bow Valley No. 40 held in office, Strathmore, Alberta, Tuesday, September 10th, 1946, commencing at 10 a.m.

Those present were Reeve James Harwood and Councillors J. A. McArthur, J. M. Wheatley, Emory Jackson and W. H. Hartell.

Jackson moved that the minutes of Council Meeting of August 13th, 1946 be adopted as read. Carried.

Jackson moved that Councillor J. M. Wheatley be Deputy Reeve for the second portion of the year 1946. Carried.

Mr. L. A. Phillips was present and he and the Council discussed the question of exchange of lands and cattle pass pursuant to Resolution No. 1924 of August 12, 1946. Instructions were given that agreements be prepared and forwarded to Mr. Phillips for his signature and that the acceptance of the agreements be taken up on our next meeting.

Wheatley moved that tenders be called for the sale of our gravel loading structure at Cross of 2nd on the S.E. 5-25-25-1th. Purchaser to dismantle

structure, haul material away and clean up wreckage. Tenders shall be opened, NOON, Sept. 23rd, and sale made by Councillors Harwood and Jackson. Highest tender not necessarily accepted.

Jackson moved that we accept Mr. C. W. Anderson's cash offer of \$8.00 for old Fresno and \$15.00 for old road maintainer. Carried.

Hartell moved that By-Law No. 64 be read a third time and the reading was carried.

Wheatley moved that the agreement with John M. Hasnaussen re laying a glazed tile drain across road between S.E. 34 and S.W. 35-24-24-1th be approved, signed and sealed. Carried.

Wheatley moved that the cash statement for the month of August, 1946 be received and embodied in these minutes. Carried.

See Page 9 BOW VALLEY

## Have a Cup of Tea

Friday The Girls Garden Club will serve Tea in the Memorial Hall to all visitors at the School Fair Exhibit. There will be as always a large exhibit of interesting articles. See these, then enjoy a refreshing cup of tea.

## LIONS CLUB MEETING

The best attended meeting for some time was held on Thursday 3 October. This month's caterers are to be congratulated on the very tasty supper that was served.

Important business done included preliminary arrangements for a Family night; a decision to hold an annual sale; individual Lions volunteered to canvass for the forthcoming sale of Dominion Saving Bonds; twenty-five dollars was donated to the Society for the Blind.

The programme consisted in a discussion re the Peace Conference in Paris. This was very ably led by Lion John Offen and many took part. A brief on the topic is to be forwarded to International Headquarters.

The next meeting will be held Thursday, October 17th.

## Lions Conduct Canada Bond Campaign

The Lions Club at the meeting last Thursday unanimously agreed to sell Canada Government Bonds in the forthcoming campaign which starts October 15th and continues for three weeks.

Commissioners gained from the sale of these Bonds are to be donated to make the deficit on the local Swimming Pool.

Buy Bonds and help a local improvement.

## ORGANIZE LOCAL WOLF CUB PACK

Monday last at 4:30 p.m. the organization of a Wolf Cub Pack in Strathmore took place. At the initial meeting there were 17 boys present, with more expected to join up later.

Miss M. Skele was appointed Cub Mistress and Miss Jean Garrett Assistant Cub Mistress. Meetings will be held each Monday at 4:30 p.m. in the United Church Basement.

Age for Cubs ranges from 8 to 12 years.

This is a worth while undertaking.

## JONES-CRORY

A very quiet wedding was solemnized in the Vestry of Central United Church Wednesday, October 9th, 1946, when Lester R. Jones second son of Mr. B. F. Jones and the late Mrs. Jones and Miss Anna Mae Crory second daughter of Mr. and Mrs. Crory of Hussar and Strathmore were united in Marriage, the Rev. C. A. Lawson officiating.

The bride wore for her wedding a smart green wool dress with brown accessories black top coat and a corsage of roses.

Mrs. Jas Holmberg was matron of honor and Mr. Holmberg supported the groom.

Following the ceremony the wedding party motored to the Empress Grill where a very delicious supper was served.

After a short honeymoon in Calgary Mr. and Mrs. Jones will return to Strathmore where they will reside.

The groom has been a member of the Strathmore Standard Staff for about twenty-five years and has many friends in the community who will extend all good wishes to himself and bride for a very happy and prosperous wedded life.

## Organize Senior Young People's

A very interesting evening of the R. Y.P.S. was held at the manse Sunday evening.

There were about twenty present. Misses Eileen Willson and Frances Gray were hostesses, Frances Gray acting for Frances Jones who was ill.

Previous to the business hour Mr. Earl Gillespie showed some very fine pictures he had taken on his recent trip to California. These included pictures of the Grand Bryce and Zion Canyons, Glacier National Park, Salt Lake City and various scenes in California.

## Scouts Hold Apple Day Beauty Farm & Home on Saturday, Oct. 12

A booth on Main Street will attract the attention of all passers by Saturday. Boxes of apples will be on hand from which the boys will fill their bags to sell to the individual buyers. A door to door sale will also be carried on.

The boys are taking this means of raising money to help them in their work.

Buy often and freely and thus help the boys to help themselves.

A Booklet on Farmstead Planning and Home Beautifying gives a most attractive layout for an up to date modern farm plan.

This Booklet may be had at the office of our district Agriculturist, Mr. R. J. Milligan, who will be pleased to have those interested take one.

The plan affords a layout that will entice young folk to the farm, not away from it.

## Council Wants Action on Highway

Strathmore, Alta. April 6th, 1946.

TO: Hon. W. A. Fallow, Minister of Public Works, Edmonton, Alta.

Owing to the deplorable condition of No. 1 Highway from Calgary east the Town Council strongly urge rebuilding and hard surface this road to the east boundary of range 23.

(Sgd) M. B. Garrett, Secretary-Treasurer.

## Letter Follows Telegram to Mr. Fallow

September 4, 1946.

## MAKE PRESENTATION TO MRS. MCBETH

Tuesday evening following regular choir practise the members gathered at the home of Mrs. Peter McBeth who has been a valued member of the choir during her stay in Strathmore. In order to express in some tangible form their appreciation, Mrs. T. S. Hughes on behalf of the choir presented Mrs. McBeth with two very pretty companion pictures accompanied with all good wishes for the future.

Mrs. McBeth was totally taken by surprise but was very much pleased at the good will and kindness thus expressed and thanked the Choir very sincerely. Refreshments and a pleasant social hour followed.

## LOCAL JOTTINGS

The United Church Sunday School is giving their annual Bean Supper Thursday evening. Part of the interesting programme to follow is a Film entitled "This is Canada" and Scenes on the St. Lawrence River showing the 1000 Islands. Everyone is invited to this social and entertaining evening. Supper 40c.

The pictures are very beautiful and Mr. Gillespie was warmly thanked for his kindness in showing them.

Officers elected were Honorary President, Rev. A. A. Hamilton, President, Chas. A. MacLean, Secretary, Miss Georgia Chapman, Programme Committee, Blaine Chapman, Mrs. Hamilton and Miss Jean Backs.

The next meeting will be held Sunday, October 20th at Mrs. Moore's home with Mrs. Elmer Gray and Miss Skele as hostesses.

Hon. W. A. Fallow, Minister of Public Works, Edmonton, Alberta.

Dear Sir:—

On April 6 of this year a wire was sent to you from the Strathmore Town Council, urging that something be done about the deplorable condition of No. 1 highway from Calgary east. We have had no recognition of our request, and at the meeting of the Council held here last night, I was directed to get in touch with you again.

There is no doubt that the present condition of this road is a detriment to the business of this district and the business of our neighboring communities. Can anything be done about this matter before the cold weather exaggerates the need? May we hear from you?

Thank you.

Yours truly,  
M. B. Garrett,  
Secretary-Treasurer.

## COMING EVENTS

Regular Clinics for Infant and Pre-School Children are held by the Wheatland Health District from 2:00 to 4:00 p.m.

Strathmore, the second and fourth Tuesday in each month. Carleton Place, the second Friday in each month. Standard, the third Thursday in each month. Rockyford the third Friday in each month.

Office hours are from 9-12 a.m. each Saturday. a22tf

Sacred Heart Parish Annual Tombola will be held on Wednesday, October 23rd in the Memorial Hall. Keep this date open for one of the biggest events of the year, and come and enjoy a good evening for the entire family.

Come to the dance held in the Cluny Community Hall on Friday, October 11. Every one is welcome and a good time is assured.

## C.G.T. Elect Officers

At a recent meeting of the C.G.T. the following officers were elected:—

Leader — Mrs. Alice Polley; President — Audrey Thompson; Vice-Pres. — Margaret Scott; Secretary — Donna Mackie; Treasurer — Helen Boissevain; Social Convener — Hope Christensen; Glean Representative — Violet Luck.

This is the second year this group of girls has been recognized by Head Office in Alberta for their excellent work and by reason of this, the girls are entitled to wear Chevrons. Our congratulations to the girls and their Leader.

Girls who attended the Summer Camp at Millerville are Margaret and Kathleen Scott, Helen Boissevain and Donna Mackie. Grace Tench attended the Camp Council at Sylvan Lake.

At their meeting Wednesday evening the girls gave interesting reports on their experience and enjoyment of Camp Life.

## Canada Savings Bonds

By Fred Kennedy

(Press release immediate Canada savings bonds) The Dominion Government Canada Saving Bond Campaign will be launched on October 15 minus the fanfare and ballyhoo which featured the successive Victory Bond campaigns but Canadians entrusted with the success of the drive are anxious to "put it over" to the same extent as the previous successful campaigns. Rural Alberta which set up such an outstanding record in the Victory Loan campaigns is being asked to do its share and reports received at the head office of the campaign at Calgary indicate that interest in the drive is at a high level at all country points. The intensive organization which handled the victory bond campaigns will not be employed in the current drive in that no house to house canvass will be made. Farmers, Ranchers and Townspeople who desire to buy bonds must apply for them at their banks, investment companies or from Provincial Government treasury branches. The bonds will be sold in denominations of \$50, \$100, \$500 and time.

\$1,000 but purchases by individuals will be limited to \$2,000 worth of bonds. However individual members of a family are entitled to purchase up to a limit of \$2,000. The bonds issued will be of the registered type. They are for a ten year period and will bear interest at 2.75 percent. Thousands of Alberta Farmers and Ranchers and Residents of towns and villages throughout the province purchased victory bonds during the war and many learned of the value of the "savings" habit for the first time. While many retained possession of their victory bonds others used them to defray the cost of farm and ranch improvements, purchase of machinery because one of the valuable features of the bond is that they are just as good as cash. In the event that bond holders require money quickly the bonds can be redeemed at any chartered bank simply by proving ownership. The campaign opens on Tuesday October 15th and will run for three weeks. No dollar quotas or objectives have been set but the results recorded in the various rural communities will be made public from time to time.

# Strathmore District School Fair FRIDAY and SATURDAY OCTOBER 11 & 12

## FARMER'S COLUMN--

By R. J. M.

to carry above the usual number of livestock should endeavor to rake up some straw. Feed supplies last year were short enough and where any cattle finishing is to done straw should be used plentifully for bedding. Oat and barley straw fed to cattle make a change of diet when on the feed lot, and higher gains can be expected when the appetite is keen and a variation in the ration is maintained.

While collecting the straw from the

combined fields, the intelligent farmer will check for patches of perennial Sow Thistle and Canadian Thistle. Now is the time to give these patches a very thorough cultivation. A light tilling or discing will cover many of the Wild Oats and annual weeds threshed off and scattered during combining. This will place the seeds in a favorable position for germinating next Spring. These weeds can be killed off during the early summer-fallow operations.

The Agricultural Service Board has made recommendations that all grain, whether Fall rye or wheat or any other cereal grown on land infested with Hoary Cress, be cleaned before taken

to the elevator. This is a good farming practice without giving consideration to the control of Hoary Cress. The screenings obtained should not be allowed to blow around and be consumed by farm animals but they should be burned thoroughly. The Service Board also recommends that you pay attention to the notices appearing in the Strathmore Standard re: cutting of weeds along the road allowances adjoining your property. The Board is within its rights when making this suggestion. They are primarily interested in weed control and if the weeds are uncut, seeds will be scattered by the wind and spread on the drifting snow. Therefore their recommendation is a good farming practice and should be employed by every farmer. It is rather difficult to maintain clean fields if the weeds are allowed to grow rampant on road allowances.

As I travel around the travel around the district I see many farmers are collecting weed seeds in bags and setting them off in the field. These should be collected and poured onto a small straw butt and burned. I have asked myself, "Do the other farmers not have weed seeds which they can collect in the same manner?" Every operation, whether tilling, cultivating or harrowing, to control weeds costs money.

Weeds comprise the greatest unseen loss in farming operations and weed control occupies such a large portion of our time and energies, that the usual routine crop growing methods must be changed to permit growing crops that will give us weed control, such crops as an early developing barley, fall rye or fall wheat.

### WEEKLY NEWSMEN END CONVENTION

LETHBRIDGE, Oct. 7 — The 1946 convention of the Alberta division, Canadian Weekly Newspapers' Association ended on Sunday after publishers attending the convention made a trip to Waterton Lakes National Park escorted by members of the Lethbridge Junior Chamber of Commerce.

Clive Nesbitt, Brooks, was elected president of the Alberta division Saturday. He succeeds A. H. Avery of Taber. William Draayer, Wetaskiwin, was named first vice-president and John Hucell, Innisfail, second vice-president.

Other members of the executive are A. Balloch, Coleman, B. Pletsch, Edmonton, C. MacLean, Strathmore, and W. R. Newsom, Olds.

### CHEADLE

—By B. W.—

Mr. and Mrs. T. De Vaux left for a motor trip to California.

Mrs. N. Loudonback arrived in Cheadle last week.

Mrs. D. Heckle is recuperating nicely after having blood poison in her hand.

Mr. and Mrs. L. Welshimer and family spent last Sunday in Banff.

Mrs. F. Cramer arrived home after spending a month with her daughter Mrs. J. Carlen of Vancouver. She reports that Rennee and twins are doing fine.

The regular W.W. meeting that was to be held in the hall last week was postponed due to the weather and will be held the last Wednesday of this month.

Robert Jackson and Cecil Barber flew to Brooks to attend an auction sale last week.

Mrs. A. Gustavsen and baby daughter are staying with her parents in Calgary for a few days.

Congratulations are extended to the former Edna Hartoll and Eddie Vermont on their recent marriage.

## RURAL GLEICHEN

A son was born Tuesday to Mr. and Mrs. Cliff Tower at a Calgary hospital. He has been named Donald Addison. Mr. and Mrs. Floyd Brown and family of Olds and Mr. and Mrs. Newt Gillespie and son of Calgary visited relatives over the week end.

Douglas MacMillan had a birthday party Saturday afternoon with a crowd of twenty one children to help him celebrate. They had a grand time with the usual gala lunch to conclude the memorable afternoon.

Mr. and Mrs. L. Quinnett left for Sault Saint Marie Monday evening.

Mr. and Mrs. R. P. Umbrite left Saturday for several weeks at Banff.

Dr. and Mrs. A. E. Wilson of Calgary left their children with his parents Mr. and Mrs. A. F. Wilson and Farmers in this area who are going

Standard Want Ads sell what you don't want for cash to buy things you do need.

left Tuesday evening for Toronto where he will spend several weeks taking a refresher course.

Mrs. J. Umbrite, who has been spending a short holiday with Mr. and Mrs. R. P. Umbrite returned to her home at Three Hills Monday.

A number of the U.F.W.A. ladies met at the home of Mrs. McLeay Friday to finish a quilt that will go to the lucky winner at the annual U.F.W.A. dance. It has been placed on display in Browns window.

Mrs. H. H. Ellis and Howard of LaBelle Missouri, who used to live thirteen miles north of town are visiting friends in this community.

Mr. and Mrs. Paul Busmann and Mr. and Mrs. Dale Busmann of Rockyford were guests of Mr. and Mrs. J. A. McArthur Sunday.

There will be Harvest Thanksgiving Service in St. Andrew's Church on October 13th at 7:30 p.m. Fruit flowers and vegetables will be gratefully accepted for Church decorations. The Rev. D. A. Ford, B.A. will be in charge of this Service.

## Who cares?

The men and women who bore arms in defence of their country made heavy sacrifices, some a limb, some their lives, all gave a portion of their lives. One of the Legion's objects is to see to it that those sacrifices are not made unnecessarily great by reason of public indifference in the years of peace.

It has happened before that few have cared. But ... THE LEGION CARES.

The Legion is composed of Canada's best citizens. It exists to serve ALL Canadians.

# Questions and Answers

## GENERAL

**Q** What are Canada Savings Bonds?

**A** Canada Savings Bonds are the successor to Victory Bonds and War Savings Certificates. They are your country's promise to return your money to you at any time and to pay you interest at an attractive rate.

**Q** Why are Canada Savings Bonds being offered?

**A** Because during the war, millions of Canadians learned the savings habit by buying Victory Bonds and War Savings Certificates. A recent survey shows that 82% of them want to keep on saving by a similar plan.

**Q** Is the Government selling Canada Savings Bonds just to raise money?

**A** No. Borrowing needs of the Government can be met by other types of loans. The main purpose of the Canada Savings Bond is to provide Canadians with a convenient way to continue this kind of saving and investment in peacetime.

**Q** Is there any limit to the amount of Canada Savings Bonds that one person may hold? If so, why?

**A** Yes. There is a limit of \$2000 for each individual, but each member of a family may hold bonds up to the limit.

**Q** What is the price of Canada Savings Bonds?

**A** 100%. That is, a \$100 bond costs \$100. If payment is not completed on or before November 15th, 1946, interest will be added to the purchase price.

**Q** In what denominations are Canada Savings Bonds available?

**A** \$50, \$100, \$500 and \$1,000.

## CASHING OF BONDS

**Q** Can I cash my bond at any time before November 1, 1956?

**A** Yes, any branch in Canada of any chartered bank will cash your bond immediately at full face value, plus interest at 2½%, upon your identification as the registered holder.

**Q** Can Canada Savings Bonds be assigned or transferred?

**A** They can be cashed, but not assigned or transferred. This is necessary to prevent any individual from acquiring more than the authorized limit.

## INTEREST COUPONS

**Q** What interest is paid on Canada Savings Bonds?

**A** 2½%—payable yearly on November 1st from 1947 to 1956, by coupon cashable without charge at any branch in Canada of any bank.

**Q** Are interest coupons registered?

**A** No. They are payable to bearer.

## REGISTRATION PROTECTION

**Q** Why is it necessary to register Canada Savings Bonds?

**A** Registration gives protection in case your bond is lost, stolen or destroyed. It is also the simplest way to ensure that individuals do not hold more than the \$2,000 limit.

**Q** In whose name can Canada Savings Bonds be registered?

**A** They can be registered only in the name

of one individual, adult or minor, up to the amount of the authorized limit.

**Q** Can Canada Savings Bonds registered in the name of a child be cashed?

**A** Yes. Banks are familiar with the necessary regulations.

**Q** Can Canada Savings Bonds be disposed of when registered in the name of a deceased person?

**A** Yes, any bank will supply the necessary information.

**Q** Can I replace my Canada Savings Bonds, if they are lost, stolen or destroyed?

**A** Yes. It is wise, however, to keep Canada Savings Bonds in a safe place, as you would any other valuable documents. In case of loss you should immediately notify the Bank of Canada, Ottawa, of the circumstances.

## HOW, WHEN AND WHERE TO BUY

**Q** Where can I buy Canada Savings Bonds?

**A** At any branch of a bank or from an authorized investment dealer, stock broker, trust or loan company—or through the payroll savings plan if this is in operation at your place of employment.

**Q** How do I pay for Canada Savings Bonds?

**A** In any of the following three ways:

1. By payment in full at time of purchase.
2. By monthly instalments through a bank, trust or loan company.
3. By regular deductions from pay, where employers operate the Pay-roll Savings Plan.

8 out of 10 will buy again....

## LANGDON

By G. E. W.

Mr. and Mrs. J. Brander Sr. left last week (Wednesday) for their home in White Rock, B.C., after visiting in Langdon, Sunnyside and Ponoka for six weeks. Their three children live at these towns.

Mrs. Dulce Gibb of Vancouver came on Tuesday of last week to get her mother Mrs. M. Forgie who has spent the summer in Langdon. They left last Thursday for the coast city.

Gordon Speechley is still at home where he will have to stay for another three weeks owing to the accident to his leg.

Johnnie Barron is at present a patient in the Col. Belcher hospital, where he is at present under observation.

Wesley Nicholson left last week (Tuesday) for Cereal, where he is employed at the General Store.

The Home and School met last evening in the school when there were 19 members present. A busy evening was spent with discussion, and we hope that everything will be in readiness on Tuesday morning for the girls basket ball team, when they will have their new ball. All they hope is that the snow stays away for awhile yet.

The quiz contest was won by Mr. Dick Butte. A very tasty lunch was served by the hostesses Mrs. Nickolsen and Mrs. Warrack.

Mr. and Mrs. Moe and Kermit were Calgary visitors last Thursday, also Mr. and Mrs. Taylor, Mrs. Nicholson and Mr. and Mrs. Watson.

Mr. and Mrs. Frank Thomas and family were in town on Friday.

Mrs. Whitney and Stewart were week end visitors at Carletonland.

A Harvest Thanksgiving Service will be held in the W. I. hall on Sunday, October 20th. The Rev. Mr. Hunt will conduct the service. Please remember the date.

## STANDARD

(By Mrs. R. G.)

Mr. and Mrs. Otto Buckwald who have been visiting their daughter Mrs. Jensen at Camrose and their sons, Gordon and Glen at Edmonton have left for Rochester where Mr. Buckwald will undergo an operation.

The last meeting of the Dorcas Society was held at the home of Mrs. Sanderson and the next meeting will be held at the home of Mrs. Andy Westergaard.

The U.F.W.A. had their meeting at the home of Mrs. E. Wagler. Mrs. Story gave a bulletin on health which was followed by a lively discussion. On Friday evening at 8 p.m. at the K.P. Hall the U.F.W.A. are having Mr. Thornton, Mr. Ben Plummer and Mrs. Barker as guest speakers. Mr. Thornton Educational Director will show pictures. Mr. Plummer will tell about his recent trip to London. Mrs. Barker is the U.F.W.A. Director. A social evening will follow. Everyone who is interested is very welcome. Remember the time and the date—October 11th at 8 p.m. at the K. P. Hall.

Last Friday a freak storm of rain and hail fell on odd districts east and south of Standard.

Mrs. Hans Jorgensen and two sons have moved to town for the winter months.

## CHANCELLOR NOTES

— By Mrs. J. M. W. —

Mr. Fleet of Calgary visited his daughter Mrs. W. D. Leishman on Monday.

Mr. Cecil Sproule is visiting his parents Mr. and Mrs. G. Spraul.

Mr. Oscar Marcusen from De Moines, Iowa has been visiting his cousin Mrs. C. L. Jorgensen.

Sgt. H. Boyden is visiting friends in the district.

Mr. and Mrs. H. Muir left on Friday for their home in Tacoma Washington after spending a month's holiday with Mr. and Mrs. E. H. Young.

Mr. and Mrs. Sigurd Nielsen and family left on Wednesday by car for New York. They will sail from there on a Swedish liner for Denmark where they will spend the winter months.

Mr. and Mrs. Wm Young and Mr. Victor Sugg of Banff were guests of Mr. and Mrs. H. Chamney this week.

## FRIENDS

If nobody smiled and nobody cheered, And nobody helped us along, If each every minute looked after himself,

And the good things all went to the strong; If nobody cared just a little for you, And nobody thought about me; And we stood all alone in the battle of life, What a dreary old world it would be.

Life is sweet just because of the friends we have made, And the things which in common we share, We want to live on, not because of ourselves, But because of the people who care; It's giving and doing for somebody else.

On that all Life's splendor depends: And the joy of the world when it's all added up, Is found in the making of friends.

— Anonymous.

## Scouts Observe Fire Prevention Week

Meeting at the Town Hall on Monday evening, the Strathmore Boy Scouts were given a complete and thorough explanation of the equipment used and the work done by the Fire

Brigade. They were shown apparatus on the truck and trailer and an explanation was given by Deputy Fire Chief George Anderson of the manner in which each piece of equipment was used.

A complete description of the chemical tanks was also given by Mr. Anderson, and the tanks were opened in order that the boys might see the interior set-up.

A number of "Do's" and "Don't do's" were pointed out to the boys, and suggestions were made as to how they might be of assistance to the brigade in time of fire.

As a climax to the evening, Jack Bennett demonstrated to the Scouts the manner of operation of the fire truck, and then, with each of the boys taking his place on the truck in true fireman style, they made a short tour around the block.

Observing Fire Prevention Week, the Scouts had a very interesting evening, and while they certainly enjoyed it, they also found the meeting very instructive.

### STEEL WORKERS ARE 226 WEEKS BEHIND

It will take strikers at Hamilton's Steico plant 226 weeks at the new maximum wage rate to gain as much as they would have had if they had stayed at work and accepted the company's offer, estimates The Financial Post.

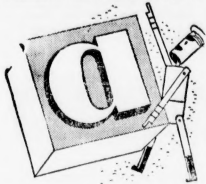

"The 10,500 steel workers who went on Strike July 15 at Hamilton, Sydney and Sault Ste. Marie lost between \$4 and \$5 millions in wages, and cost the country 5.5 million man hours of production," says The Post.

"Does this total of four or five millions lost wage dollars seem insignificant in these days of vast figures? The loss represents up to a thousand good homes or perhaps 3,000 fine new automobiles. It is a big sum of money to workers and to the community."

The programme arranged up to date is as follows:

October 15th - Controlling Atomic Energy.

October 22nd - Immigration.

October 29th - Are Strikes Necessary?

November 5th - Education for National Unity.

## NIGHTINGALE

—By Mrs. F. H.

The Women's Institute held their regular meeting at the hall last Friday. Many good suggestions for a bazaar were given in answer to the roll call. After the business of the day was concluded the rest of the afternoon was pleasantly spent as a birthday party in honor of Mrs. Otto. She had recently celebrated her 76th birthday. There were bingo games and then followed a delicious lunch served by the members. Mrs. Otto was presented with a silver spoon engraving.

ed with Nightingale W. I. She also received several small gifts and some beautiful cards. She expressed her thanks for all the thought and good wishes. Happy Birthday to you was sung and all wished her many more years to enjoy a birthday party. Mrs. Elizabeth Godfrey was a welcome visitor.

Mr. and Mrs. N. P. Dragg and children of Standard and Mrs. Julia Dragg of Rockyford were week end visitors at the Harriman home.

## The World Sugar Situation

The present shortage of sugar is worldwide and a direct result of reduced production caused by war conditions. The world production of sugar during the prewar year 1935-36 averaged 24.5 million tons. Production for the 1945-46 crop year amounted to only 27.2 million tons. This is the smallest since 1923-24. The largest decline in production has been in Europe and Asia. Total production in Europe declined nearly 4.7 million tons, or about 45 per cent from 1934-35 to 1945. Normally Europe produces the major part of the sugar which its people consume, but large imports are needed this year. Production of sugar in Asia for the crop year 1945-46 amounted to only 7.4 million tons, about one-third below the prewar average. Most of the reduction has occurred in the Philippines, Java, and Formosa, all important exporters of sugar in prewar years. Cuban production in 1945-46 amounted to 4.4 million tons, an increase of 500,000 tons over the previous year and 1.3 million tons above the 1935-36 average. A large proportion of this crop will go to Europe.

The prospective supply of sugar for the United States for 1947 is somewhat greater than the quantity available this year, although still considerably below normal. The acreage planted to sugar beets in the United States is about 20 per cent larger this year than last. With average yields this acreage will provide about 1.7 million tons of sugar.

There is as yet no estimate on the Canadian sugar beet production in 1946, although the province of Alberta expects a crop of from 350,000 to 400,000 tons and harvesting has commenced in southern Alberta. The largest crop ever harvested in Alberta was 363,000 tons of beets in 1945. This year the production of refined beet sugar in Alberta will be over 100,000,000 pounds.

A newsletter of the Lethbridge Experimental Station states that enough sugar is produced in southern Alberta to supply the requirements of all Alberta, all of Saskatchewan and most of Manitoba and still have some to spare under present rationing. This means that, because of the sugar industry, several million dollars flow into Alberta annually from her sister provinces, and this money finds wide distribution through transportation systems, warehousing and distribution centres.

## NAMAKA NOTES

By Mrs. E. B.

Mr. and Mrs. Jim Kermack are receiving congratulations on the birth of a daughter, Lynn Larleen, born October 5th in the Grace Hospital.

Mrs. Joan Bell of Baintree is spending a few days visiting with her parents Mr. and Mrs. L. Aitkens.

Charlie Wheeler is recovering in the Holy Cross Hospital following an operation for appendicitis.

Mr. and Mrs. H. E. Johnson spent the week end in New Dayton. Mrs. Jack McBean returned with them for a few days visit.

Mrs. Ray Moss arrived on Tuesday from England and with her husband will spend a week visiting with Mr. and Mrs. Sam Moss.

Mr. and Mrs. C. Mackie spent Sunday afternoon in Arrowwood.

Mr. and Mrs. Tom Cascadden and Jimmy and Mr. George Sargamo of High River spent the week end with Mr. and Mrs. H. E. Thomson.

Mr. and Mrs. Roger Savilla and Mr. and Mrs. Jack Savilla all of High River were week end guests of Mr. and Mrs. Andy Thomson.

The first nursing class was postponed last week and will take place on Friday October 11th at Mrs. H. Colpoys.

## Dates for Fall Sales

The Fall Sheep and Swine Sales will be held this year at Calgary, October 21st to 26th; and Edmonton, October 29th to November 1st, inclusive. Indications are that Alberta sheep and swine breeders are taking extra care to bring out superior animals. Competition for top places are expected to be keener than ever. The greater abundance of feed and the green succulent grass, as a result of early fall rains, will help in the fitting of show and sale animals.

Farmers who require new sires are urged to personally patronize these sales. One can learn a great deal about what is going on and what type of animals are most desirable and sought after by the leading breeders and authorities on livestock. Those farmers who for some very good reason cannot attend these sales, should apply for purchase of animals through the Alberta Department of Agriculture under the Sheep and Swine Improvement Policies.

Sheep owners should note particu-

arly that good breeding rams will not be available after the sale. Application should be made while there is still time, to the District Agriculturist, or to the Live Stock Branch of the Alberta Department of Agriculture.

Ready cash is yours in a flash. Use the Want-Aids.

## Legion past, Legion future...

After the war of 1914-1918 the men who formed the Legion resolved that never again would men who had risked their lives and spent their youth in the service of Canada be so shabbily treated. Largely as a result of the Legion's efforts our new veterans begin their civil lives under far better conditions.

The Legion has helped you. Help the Legion by adding your strength to it.

YOU NEED THE LEGION/

## Native Range Plants

A great variety of plants make up the cover of our native range lands but only relatively few species are important over a large area. The great majority of the grass species, although found scattered in varying amounts in the prairie, are of secondary importance to a group of 5 or 6 main grasses and a few browse plants.

Our most important range grasses in the drier parts of the prairie are Bluestem, Speargrass, Blue grama grass, June grass and one or two blue joint. Bluestem, often called Blue joint, is a member of the wheatgrass family and is similar to created wheat grass in some respects. It grows on a wide range of soil conditions but best on heavy soils, particularly low-lying areas. It is a medium to high growing grass that produces a high yield of excellent winter forage or good quality hay. It gets the name Bluestem from the bluish bloom covering the plant.

Speargrass is an excellent pasture grass in the early part of the season before the axils develop and again in the fall after the seeds drop. It is an upland grass, very drought resistant and capable of making rapid recovery following a severe drought. Blue grama grass, June grass, and the blue grasses are all drought resistant short growing grasses that make up varying amounts of our native forage. They are all highly nutritious, are very palatable, but relatively low in productivity.

The non-grass-like plants of the ranges are generally termed forbs. Of the many forbs found one or two are particularly valuable. Winterfat, or white sage, is a drought resistant plant that is very high in protein. It makes excellent winter feed and is relished by all classes of stock. This plant has been greatly reduced by overgrazing but is gradually recovering

in protected areas. Another valuable plant is salsage that grows abundantly in alkali conditions and also on upland areas. Although not as palatable or nutritious as winterfat it plays an important part on our range.

### EXPECT BIG BUSINESS IN VETS' LOANS

Chartered bank executives expect a substantial demand for loans under the Veteran's Business and Professional Loans Act, passed at the last session of Parliament but little publicized, pending issuance by the Dominion Government of the regulations under which the plan operates, reports The Financial Post.

The new legislation enables veterans to borrow a maximum rate of 5% two thirds of their proposed expend-

itures to purchase a business or an interest in a business; to buy tools; implements or the equipment of a trade; to alter buildings or for "any purpose prescribed, which may be deemed to benefit his business."

### Christian Science

"Are Sin, Disease, and Death Real?" This question will be answered in the Lesson-Sermon at Christian Science churches on Sunday. It is drawn from passages like these: "Thy sun shall so more go down; neither shall the moon withdraw itself: for the Lord shall be thine everlasting light, and the days of thy mourning shall be ended." (Isaiah 60:20). "The true idea of God gives the true understanding of Life and Love, robs the grave of victory, takes away all sin and the delusion that there are other terrors, and destroys mortality." (Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 323).

# THANK YOU

## for waiting for delivery of your

# NEW GENERAL MOTORS CAR

**We are doing our best to see that you get your new car as quickly as possible**

We want to thank every one of our customers — and every prospective customer as well — for the friendly patience with which you are awaiting your new General Motors car, whether it be a Chevrolet, Pontiac, Oldsmobile, Buick or Cadillac.

That patience will be more than rewarded when we hand you the keys to one of these great new General Motors cars, for here, in our judgment are automobiles ahead of their time — far and away the best in each of their respective classes.

We know how difficult it is to wait even a day for a car of General Motors exceptionally fine quality; but we believe you will understand that we and General Motors are as eager to deliver cars as purchasers are to obtain them. Unfortunately, the cars produced so far this year are far fewer than we and the factory had counted on. General Motors headquarters at Oshawa sums up the situation thus:

"Even though our rate of production normally exceeds that of any other manufacturer, we have been able to build, up to August 1, only a small percentage of the number of cars we built up to that date in 1941. Our own production, like that of the industry in general, is still far below normal, because of frequent shortages of essential materials and parts. Strike after strike at the plants of our suppliers has seriously impeded our progress toward full production, and the cumulative effect severely hampers both manufacturing and assembly."

While production is restricted, so — in proportion — are shipments of cars to us. As production increases, we are assured of getting our proportionate share of the total number of cars from the factory. But we want you to know that as quickly as these cars are received, we will speed deliveries to our customers.

We thank you, again, for your understanding and patience — confident that when your turn comes to enjoy the brilliant new standards achieved by the new General Motors cars, you will be thankful you waited.

G.M.-1453

Remember — Our CAR SERVICE is your best CAR-SAVER. Keep your present car in good condition until you get delivery of your new General Motors car, by bringing it to us for skilled service now and at regular intervals.

## LAYCRAFT-MILLAR

A pretty wedding was solemnized Saturday afternoon October 5th in Central United Church, Calgary, when Grace Evelyn, youngest daughter of Mr. and Mrs. G. B. Millar of Vauxhall became the bride of Mr. Givrin Robert Laycraft, younger son of Mr. and Mrs. W. A. Laycraft of Strathmore. Rev. C. A. Lawson performed the ceremony.

Given in marriage by her father, the bride wore a gown of white sheer trimmed with silver stitching in an embossed floral design. Her finger-ring veil was fashioned into a coronet of white flowers and she carried a bouquet of deep red roses.

The bride's sister, Miss Eileen Millar, dressed in pale blue sheer, and Miss Leona Golembosky in pink sheer acted as bridesmaids. They carried bouquets of carnations. Mr. Norman Laycraft attended the bridegroom.

Following the ceremony a reception was held at the Empress Grill, where the bridegroom's mother assisted the bridal party in receiving the guests. Mrs. Laycraft wore for the occasion a dress of pale blue crepe with black sequin trim and a black hat, and her corsage was of pink roses.

Later the young couple left for a wedding trip to Vancouver. For travelling the bride wore a green top-coat with brown accessories. On their return Mr. and Mrs. Laycraft will make their home west of Strathmore.

The Laycrafts are a pioneer family in the Strathmore district and many friends will extend to Givrin and his bride very best wishes for all happiness.

## Encouraging Yields from Grain Crops

In the first official estimate of grain production in Canada in 1946, the wheat crop is placed at 440,567,000 bushels, or about 135,000,000 bushels more than in 1945. With the estimated yield per acre of 17 bushels, as against 13.1 bushels per acre, the 1946 crop is one bushel higher per acre than the long-time average.

The estimated 1946 wheat crop will be the highest since the record of 1942 when 556,684,000 bushels were threshed in Canada. The current crop is being harvested from an estimated 25,900,000 seeded acres, the highest wheat acreage since 1940, and about 2.5 million acres greater than the acreage seeded to wheat in 1945. The anticipated output of wheat in the Prairie Provinces is 420,000,000 bushels, compared with 282,000,000 bushels in 1945. The crop includes 9,900,000 bushels of durum wheat, of which 4,100,000 were produced in Manitoba, and 5,800,000 bushels in Saskatchewan. The two provinces produced about 5,900,000 bushels of durum in 1945.

The 1946 oat crop is estimated at 411,459,000 bushels, or about 30,000,000 bushels higher than the 1945 crop. The 1946 barley crop is estimated at 164,206,000 bushels, or 7,000,000 bushels more than in 1945, but below the output in the three previous years while exceeding any other year to date.

The combined output of fall and spring rye is estimated at 7,588,000 bushels, as compared with 5,888,000

(Continued from Page One)

## BOW VALLEY

McArthur moved that we give our consent to the St. Mary's Home charge of \$17.00, per month, for the care of D. Rishaug; and to the Lambe Home purchasing materials to the value of \$20.00 for Home Economics Course for Coleen and Maureen Matsen who will make some of their own clothing, moved that.

Jackson moved that Riley A. Bishop of Carseland be appointed a pound-

## CARSELAND

By Miss H. McK.

Mr. and Mrs. Gordon Lennox spent the last few days of their honeymoon in Carseland.

Miss Catharine Lauen is home from Calgary on holidays.

George McKormack has returned from overseas where he served with the Army Medical Corps. Welcome home George.

Miss Kathleen McKinnon spent the weekend at home.

Keith Robison was seen going down the road the other day sporting a new 1947 twin motor car. Speedy what? How about a ride?

There will be a dance in Carseland on October 25th, with Schraeber's orchestra supplying the music. We hope to have a dance every two weeks from then on.

Measrs. Leland Phillips, Fred Sawyer and Ralph Thacker, all former residents of the district were out on a hunting trip last week. Mrs. Thacker came out to join her husband over the week end.

Alfred Trent has gone to work at his new job in Calgary. Best of luck, Alfred.

Allan Bishop was operated on for appendicitis last week. We hope he will be well again soon.

bushels a year ago.

The flax is placed at 8,742,000 bushels, an increase of nearly a million bushels over the 1945 figure of 7,593,000 bushels. Although the acreage seeded to flax is slightly lower than that of 1945, the 1946 yield per acre of 8.7 bushels is against 7.2 bushels in 1945 accounts for the larger crop of 1946.

The total production of hay and clover is now estimated at 13,599,000 tons against 17,724,000 tons in 1945.

keeper with pound local on the S.W. 1-22-26-4th, and that notices be posted at the pound and at Carseland Post Office.

Wheatley moved that all members of this Council be delegates to attend the Annual Convention of the Alberta Association of Municipal Districts at Calgary Nov. 18th, 19th, and 20th, 1946, and that our Secretary-Treasurer also attend. Delegates and Secretary-Treasurer's expenses shall be paid by this Municipal District. Membership fee of \$40.00 shall also be paid. Carried.

Jackson moved that the Manager of the Fallisier Hotel be requested to reserve two rooms with two single beds for our delegate attending Municipal convention and that a \$20.00 deposit cheque be forwarded. Carried.

Jackson moved that our 1947 bridge requests to the Dept. of Public Works be—

South 29-23-22-4th. Carried. South 31-23-21-4th. Useless to grade road until a bridge is erected as we may run into a damage claim.

West 10-23-25-4th.

West 24-23-22-4th.

West 32-23-25-4th. To be moved to straighten road and M.D. will pay for Labor.

South and Centre 26-23-21-4th.

South 13-23-15-4th.

Wheatley moved that the agree-

ment made under the provisions of The Agricultural Service Board Act between the Minister of Agriculture and the Council of the M.D. of Bow Valley No. 40, be accepted, signed and sealed.

Carried.

Hartill moved that we buy a John Deere Oil Bath Mower for \$135.00.

Carried.

At 3:15 Jackson moved that we now adjourn.

DONT'S FOR FIRE PREVENTION  
ALL THE YEAR ROUND

Don't dump ashes while hot or with live coals.

Don't hang electrical cords on radiators or over nails.

Keep chimneys and smokepipes clean and in good repair.

Do not leave irons or other electrical appliances running except when they are in actual use. Let them cool off before putting away.

Mr. Wagstaffe of Calgary spent a few days in Strathmore a guest of his daughter Mrs. J. Bennett and family.

Our town handy man has done a good job with the Strathmore Streets. What from dangerous, deep and unsightly mud holes to streets almost as smooth as paving in a few short days, gives a good transformation.

CARSELAND—

Thanksgiving Services with appropriate music will be held Sunday 13th. Carseland—12:15 noon.

Mossleigh—3:30 p.m.

Dalemead—7:30 p.m.

## Mary Martha Downey Wins Memorial Prize

Miss Mary-Martha Downey was awarded a memorial prize at a recent meeting of the Earl Grey H.S.A. The award is given on the basis of 75 per cent scholarship in social studies and 25 per cent student appraisal and was started to commemorate the service of former Earl Grey students in the Second Great War.

Mary-Martha is the Grand-daughter of Mr. and Mrs. F. H. Harriman Nightingale, and Mrs. Martha Downey of Strathmore.

### SARNIA —

The world demand for rubber articles has reached a new peacetime peak. L. D. Dougan, assistant manager of the government-owned Polymer Corporation synthetic rubber plant, this week told a meeting of the Western Ontario Medical Association.

Mr. Dougan stated that the advent of synthetic rubber has so stabilized the price of rubber on world markets that the processors now feel free to embark on the development of a wider variety of articles. He said the types of rubber produced by the government plant have stood the test of actual use and are now regarded as valuable new raw materials in some respects superior to natural rubber.

## Learn How Prayer Can Heal You

How does Christian Science heal? How does it remove fear, solve personal and business troubles? If you want to know something about the healing power of prayer as taught in Christian Science come to
